

3rd PRECINCT Ltd
Proudly Introduces Brand New 3P RoomService™
You're The Business - You're The Star!™

Get Your Message Across With A Website VLOG (Video Blog)
Seamlessly integrated into your existing website via Flash technology!

Today's websites need to incorporate the latest interactive features in order to attract savvy visitors. Nice logos and web banners just don't cut it - Static websites are quickly becoming a thing of the past!

- **Increase your organisation's ROI !!!**
- Address your website visitors in a personal video seamlessly embedded into your existing website
- Set your website apart from your competition
- Improve website performance and visitor loyalty

You're The Business - You're The Star!™ 3P RoomService:

WHEN?

2-3 weeks (depending on current volume).

WHERE?

Time is money - So we come to you! Bringing our expert team of multimedia professionals. Allowing you to do, what you do best – Your business. Our professional sound & camera crew captures your VLOG with the latest mobile cinematic studio technology in your office, board room or a virtual surrounding of your choice. We can also arrange to shoot at a production facility to suit your needs.

HOW?

Your personally assigned producer directs your shoot capturing your performance on camera with tele prompts, blue and green screen. Using cutting edge video editing software and advanced post production technology we can place you in a virtual environment (office/ country / urban environment, Tropical Island).

SCRIPT / VOICE OVER ARTISTS:

We provide script writers that work from a brief supplied by you. Alternatively, you can provide the finished script. If preferred we can arrange to shoot your VLOG using a professional VO Artist / Actor.

BESPOKE AUDIO BRANDING:

Audio is often overlooked in the branding process. For an annual license fee *or* a 100% buy-out fee we produce bespoke audio that can be used across media platforms (*TV / Radio, adverts, teleprompts, online*).

LIBRARY AUDIO & MUSIC:

Background music and sound effects from our existing library on offer.

PROCEDURE:

VLOG Scripting
VLOG Filming
VLOG Post Production
VLOG Conversion
VLOG Audio Branding (*optional*)
